Summer Youth Program

SHAPE Up Philosophy

Spirituality, Heart, Academics, Physical, Experience (SHAPE) Up believes that every child is unique and deserves a nurturing environment in which they can flourish spiritually, emotionally, physically and socially. Christian values, unconditional love and acceptance should be at the core of every child's learning experience.

Great Commission Baptist Church Vision Statement

Building a Ministry through the Power, Principles and Promises of God's Word; to Reach the Sinner, Teach the Saint and Strengthen the Family.

SHAPE Up Expectations

SHAPE Up is a "Program of Choice" designed to provide a rigorous and challenging program, with a variety of unique policies and procedures that support its spiritual mission. SHAPE Up provides an alternative to traditional camps and programs that is exciting, challenging and very rewarding. We are created in God's image and these expectations are a result of SHAPE Up's Philosophy and Mission Statement. It is imperative that participant's parent or legal guardian fully understand and acknowledge the expectations SHAPE Up places on all participants. If SHAPE Up's expectations are incompatible with a participant's needs or desires, SHAPE Up asks that the parent or legal guardian seriously consider whether SHAPE Up is the best program choice for their child or children.

Celebrations

Birthdays are very special, and we will honor each child's birthday at the program through special recognition by allowing parents to provide cupcakes or cookies to share with your child's program group. We cannot allot time for a "Birthday Party." Parties are a private matter and any arrangements (i.e. sending invitations) pertaining to private parties is solely the parents' responsibility.

Child Personal Items

- 1) Dress Requirements – Children should come to the program dressed in comfortable play clothes and closed toe shoes for safety. **No boots or sandals, please, due to safety concerns.** It is a good idea to send extra clothing in your child's backpack, in case of accidents. Girls must wear shorts under their skirts.
- 2) Do not send money, valuables or toys with your child to the program. GCBC SHAPE Up 2019 cannot be responsible for lost or stolen items.
- 3) **LABEL. LABEL. LABEL – ALL BELONGINGS BROUGHT BY CHILDREN TO THE PROGRAM SHOULD BE LABELED.**
- 4) Remind your child to take everything home each day.

Field Trips and Transportation

Conduct at SHAPE Up will affect participant's ability to attend off-campus field trips or participate in special events at SHAPE Up 2019. Parents will be notified 48 hours in advance of all field trips. Field trip notices will be posted next to the sign in/out notebook. Any necessary fees and permission for a child to participate will be secured for all field trips. Field trips are age appropriate and we encourage parent volunteers. Volunteers must have a clean criminal background and agree to a background check. GCBC must file the criminal background check prior to a volunteer assisting with children. A qualified staff person will be in charge of a specific group of children. Each group will not exceed the state ratio for field trips. Volunteers are to assist staff with groups of children. Volunteers are not permitted to have a group of children of their own. Each staff member will always have a written list of the children in their group with them. The program director or other licensed director is required to go on all field trips. The director will be responsible for bringing the children's necessary documents on the field trip. Face to name checks are to be done prior to leaving facility, after boarding transportation, upon arriving to field trip destination, frequently during field trip, upon leaving field trip destination, after re-boarding transportation and upon returning to the church. GCBC bus or van and chartered buses will be used when taking field trips. Vehicles are insured and maintained in good working condition. GCBC/SHAPE Up and chartered buses are trained on and are aware of proper and safe driving techniques. Children are to board transportation in a secure area. Crossing streets or walking through parking lots without proper supervision is prohibited. Drivers must have a clean criminal background and be 21 years of age or older.

Examples:

Redirection—offering limited choices when applicable and having “cool off” time

Conflict Resolution – “Talking through” situations by helping children use “their words.”

Some other steps may be taken depending on the seriousness of the behavior. (**See Code of Conduct**) If these methods, in the Code of Conduct, continue to prove unsuccessful, parents will be consulted, and an appropriate plan of action agreed on. ***Corporal punishment is prohibited at SHAPE Up.*** Please read the following rules and consequences to your child.
